# Status Extension Form

**Note**

1. A Ph.D. student can extend his/her period of study based on recommendation from the thesis supervisor in the event the student is unable to complete his/her studies within 5 years. The action must be taken in the last semester of the 5<sup>th</sup> year and must be approved by the Executive Board. The permission for extension is considered on a semester-by-semester basis, and will only be granted if it can be shown that the student has definite potential to graduate. Please note that requests for extension will be considered on a case-by-case basis. Any incomplete information or inadequate supplemental documentation may lead to failure in consideration.
2. Fine for every late submission starts following the last day of the registration date and payment is to be made within the period of the new academic calendar. No exception for this fee is allowed.
3. Only complete original documents submitted to the academic services section at the above address no later than the academic calendar of the semester will be accepted.
4. The student must enroll within one month; otherwise his/her student status will be revoked.
