Internship Activity Form

Note

The committee selected to evaluate the internship activities of the student should be comprised of at least two persons. One is the student's advisor and the other the host supervisor of the company/institute where the student performed the internship activities. Once the internship activity form and committee's composition are approved by the Executive Board, the student will be allowed to proceed with the proposed activities. The student evaluation should be conducted at the end of the semester by the evaluation committee.
