

Subjects

●JEE 603	Special study I
●JEE 604	Special study II
●JEE 605	Special study III
●JEE 601, 611	Research Communication for M.Eng./M.Sc.
●JEE 701, 711	Research Communication for Ph. D.
●JEE 613	Research Methodology*
●JEE 633	Energy Management in Industry
●JEE 634	Climate Influence on Buildings and End-use Requirements
●JEE 659	Energy from Biomass
●JEE 625	Energy and Environmental Economics, Management and Policy
●JEE 674	Waste to Energy and Its Sustainable Mitigation
●JEE 683	Energy, Environment and Sustainability
●JEE 684	GIS and Remote Sensing
●JEE 685	Climate Change: Physical Science Basis
●JEE 688	Data Science for Environmental and Energy Studies
●JEE 696	Greenhouse Gas Measurement, Mitigation and Monitoring Technology

Start

*The students can register for JEE 613 Research Methodology in the semester that the student has an examination for thesis proposal (i.e., the first semester for thesis which is usually the second semester of study).

- ** LNG 601 Foundation English for International Programs
 ** LNG 602 Thesis Writing
 ** LNG 550 Remedial English Course for Post Graduate Students

	09.00 – 12.00	12.00-13.00	13.30-16.30
Monday	JEE 696 Greenhouse Gas Measurement, Mitigation and Monitoring Technology (3) (Room JGSEE 2 3 rd floor, In class)		JEE 659 Energy from Biomass (3) (Room EN3204 2 nd floor In class)
			JEE 684 GIS and Remote Sensing (Room JGSEE 2, 3 rd floor, In class)
	JEE 634 Climate Influence on Buildings and End-use Requirements (3) (Room EN3204 2 nd floor, In class)		JEE 633 Energy Management in Industry (3) (Room JGSEE 3 3 rd floor, In class)
	1. LNG 601 Foundation English for International Programs (Online) (5.30-7.20 PM) 2. LNG602 Thesis Writing (Online) (5.30-7.20 PM)		
Tuesday	JEE 613 Research Methodology (3) (Room EN3204 2 nd floor, In class)		JEE 625 Energy and Environmental Economics, Management and Policy (3) (Room EN3204 2 nd floor, Hybrid Teaching (In class and Online))
Wednesday	JEE 683 Energy, Environment and Sustainability (3) (Room EN3204 2 nd floor, Hybrid Teaching (In class and Online))		JEE 688 Data Science for Environmental and Energy Studies (3) (JGSEE- Bangkhuntien Campus, Hybrid Teaching (In class and Online))
	1. LNG 601 Foundation English for International Programs (Online) (5.30-7.20 PM) 2. LNG602 Thesis Writing (Online) (5.30-7.20 PM) 3. LNG 550 Remedial English Course for Post Graduate Students (17.30-20.30) – <u>Section 2</u>		
Thursday	JEE 701, 711Research Communication (2) (Room EN3204 2 nd floor, Hybrid Teaching (In class and Online))		JEE 685 Climate Change: Physical Science Basis (3) (Room EN3204 2 nd floor, Hybrid Teaching (In class and Online))
	JEE 601, 611Research Communication for M.Eng./M.Sc. (1) (Room EN3204 2 nd floor, Hybrid Teaching (In class and Online))		
Friday	JEE 674 Waste to Energy and Its Sustainable Mitigation (3) ((Room JGSEE 2 3 rd floor, In class, Hybrid Teaching (In class and /or Online))		-
Saturday	LNG 550 Remedial English Course for Post Graduate Students (9.00-12.00) – <u>Section 4</u>		
	LNG 550 Remedial English Course for Post Graduate Students (9.00-12.00) – <u>Section 5</u>
