Maximum 2 Pages Abstract

Special Study Proposal Form

Note

- JEE 603 Special Study I:** The student is required to **attend a certain subject as prescribed by his/her advisor**. The subject may be offered in English or in Thai in any accredited university or in any one of the collaborating universities. At the end of the course, the student needs to prepare a state-of-the-art report in English and have an oral examination with the thesis advisory committee or a special study committee appointed by JGSEE
- JEE 604 Special Study II:** The student is required to make a study on a certain prescribed subject related to his/her thesis topic under the supervision of his/her thesis advisor. The study may involve **situation review, data collection and data analysis** as well as critical surveys in certain topics in order to provide clarity to the thesis framework. At the end of the semester, the student needs to prepare a report in English on the subject and attend an oral examination evaluated by the student's thesis advisory committee or a special study committee appointed by JGSEE
- JEE 605 Special Study III:** The student is required to make an **analysis or conduct experiments** on certain approved tasks under the supervision of his/her thesis advisor. The objective is to upgrade the analytical and/or experimental skills of the student in order to facilitate his/her thesis work. Each project should be completed over one semester. At the end of the semester, the student needs to prepare a report in English of the work done and attend an oral examination evaluated by the student's thesis advisory committee or a special study committee appointed by JGSEE.
- Acceptance of only complete original document and submission to academic services section at above address no later than academic calendar of the semester.
