

Process of thesis defence examination for Master degree & Doctoral degree

① Consult the Academic Calendar

② Submit thesis report to all committees

- For Thai external examiner, student can submit thesis report to him/her directly
- For foreigner external examiner, student submit thesis report to the Academic section, the Academic staff will submit it to him/her

③ Submit AS14 request for Exam and AS15 Report submission via online system

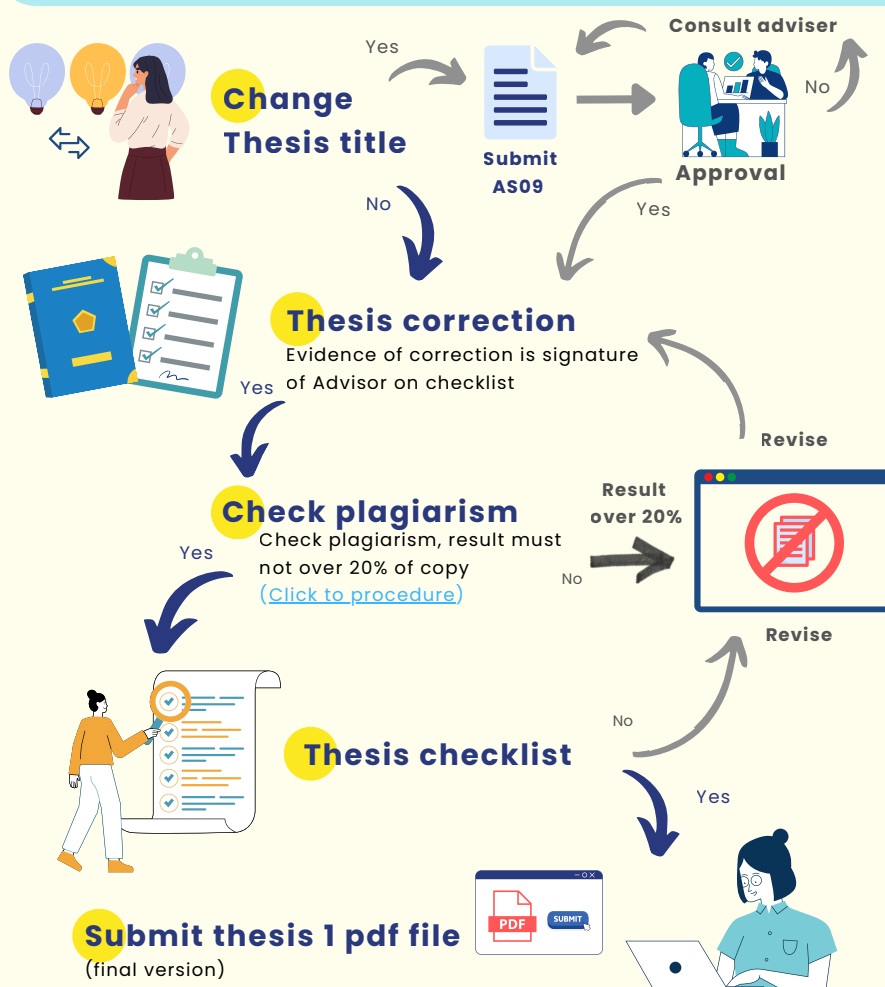

<https://www.jgsee.org/exam.request.online/>

④ Thesis Defence Examination date

Student must submit thesis report and AS14 form **at least 14 days (for master degree)** and **at least 30 days (for doctoral degree)** before examination date. **Otherwise student will not allow to have the final defence examination, result of thesis grade will be "U"**

The advisor is responsible for ensuring the correctness of the English language in the thesis before submitting it to the committee.

⑤ After passing the defence examination

Students must submit the final version of their thesis **within 60 days** after passing the final defense examination.

Failure to do so will result in a thesis grade of "U." In such cases, the student must re-take the examination and register for the following semester.

Report submission
