PROJECT

Thai-German Cooperation on Energy, Mobility and Climate (TGC-EMC), we are currently looking for an expert for the Renewable Energy Sector.

OPEN POSITION

- Expert (TGC-EMC Renewable Energy)

CALL FOR INTEREST (QUALIFICATIONS)

- Contribute to TGC EMC's project operational planning including activities, timeline, and milestones
- Implement project activities independently, efficiently, transparently and in close cooperation with other teams and colleagues. Activities foreseen include technical and policy training, policy advice, technical studies, partner coordination etc.
- Participate actively in coordination work with key partners / stakeholders and in particular the TGC EMC consortium and public partners
- Steer, support and review technical / policy research / studies on electricity market landscape, energy policy, and regulatory framework in Thailand from research framework to conceptualization and recommendation
- Contribute to the drafting of project documents in particular on key technical and policy topics as well as on essential project documents such as reporting to donors.
- Contribute to the monitoring and reporting of project activities
- Support other projects' implementation through strategic advice both technical as well as in terms of partner relation
- Other tasks as required

The deadline for application is 20 December 2024. Only shortlisted candidates will be contacted.

Miss Ananyaporn NGOENTHUM

E-mail: ananyaporn.ngo@mail.kmutt.ac.th

WE ARE LOOKING FOR A CANDIDATE WHO PREFERABLY POSSESSES (THE EQUIVALENT OF):

- Thai nationality only
- Master's degree related to at least one of the following fields: economics, finance, energy, climate change, or electrical engineering.
- At least 5-10 years of professional experience in the electricity market or related field ideally working on topics related to energy, regulation, innovation or climate finance.
- Excellent communication skills and confidence to communicate with political partners and the private sector.
- Ability to quickly establish dependable working relationships within the own organization and with external counterparts.
- Independent working style with a strong team orientation.
- Experience in organizing and facilitating workshops, seminars, or trainings.
- Experience in working with Thai ministries, in public administration or in an international organization as well as knowledge of political and administrative processes is a strong advantage.
- Willingness to quickly develop an understanding of policies and technical matters relevant to the project; previous knowledge is an advantage.
- Very good presentation and communication skills; negotiation and moderation skills are an advantage.
- Proactive and positive attitude and ability to self-motivate.
- Interest and ability to work in a cross-cultural context and team.
- Readiness to travel within Thailand and in the region, subject to project requirements.
- Excellent command of Thai and English in writing and speaking; knowledge of German is an advantage.
- This will be a fixed-term contract, starting as soon as possible and running until 31 December 2025 with the possibility of an extension.
